Dear Jerry:

I have been trying to wait for a schedule from our Secy, but decided I had better make a copy the best I could and send it to you. Its not so hot but I guess you can make it out. As you can see we only made it for the first half.

Now Jerry I have been trying to decide what to do about the Negro weeklies. They should be getting the news now. I am sure they will carry it. I would send it out myself, but I am afraid the news might conflict. I know you have to be careful what you ask the white dailies to carry. They do not want any second hand news. I have given a great deal of thought to it, and have decided the only sensible thing to do is have you send it to everyone. There can be copies made of the same story to all the weeklies. There are six papers that I would like to get the stories to. They are The Defender, The Afro, The Amsterdam, The Courier, The Herald, and I guess I might as well include The Guardian now that we are supposed to be made up.

I will see that you have the information I have by Saturday of each week, if this is time enough. Would you like to have it sooner. Dont laugh, This is not for the record, I had a letter from that nut Satchell Paige yesterday. Isnt he funny? Still saying he wants to come to The Eagles. I also had a letter from Dandridge yesterday. I wrote him right away, and asked if he wanted to come back. Will let you know as soon as I hear from him.

We are taking a young pitcher from East Orange to camp. I will try and get a story about him.

Very Truly Yours
